It is a great honor and privilege to serve the residents of this community and to work alongside the dedicated men and women of the Brunswick Hills Police Department.

When I was promoted to Chief, the department consisted of nine full-time police officers and operated with a budget of \$1.2 million. Following the successful passage of an additional tax levy in 2016, we were able to hire five additional full-time officers and make several much-needed upgrades in training, equipment, and technology.

Over the years, Brunswick Hills Township has experienced significant population growth, with many new streets and homes being built. This growth, along with increased development in surrounding cities and townships, has led to a higher volume of calls for service for the Brunswick Hills Police Department. In 2026, the levy funding approved in 2016 is due to expire. I respectfully ask for the continued support of our community by renewing the levy, which will appear on the ballot this spring.

In 2026, I look forward to continuing to lead this department while working together to keep our community safe and secure. We plan to move forward with adding additional personnel, providing advanced and specialized training, and upgrading the tools and equipment necessary for our officers to effectively perform their duties.

The Brunswick Hills Police Department is made up of highly dedicated men and women who are committed to providing the highest level of police service to our residents and visitors. Our goal is to continue strengthening our relationship with the community through professionalism, integrity, and mutual respect. I commend our officers for their courage, compassion, and unwavering dedication to service.

It is my privilege to submit the 2025 Annual Report for the Brunswick Hills Police Department. This report provides a descriptive summary of departmental activity and highlights several services provided to the Brunswick Hills community, its residents, and guests.

Respectfully Submitted,

*Tim Sopkovich*

Chief of Police

Brunswick Hills Township was originally called Brunswick Township, and under the latter name was established in 1818. It was refounded as Brunswick Hills Township in 1960. Brunswick Hills Township was established by a group of residents who preferred a Township form of government. # Accreditation

The **Brunswick Hills Police Department Policy Manual** provides the framework to perform our law enforcement mission. These policies have been established as a result of an ever-changing assimilation of legal and best practice principles in the law enforcement profession. Police department employees must read and sign that they have knowledge of the policy standards along with maintaining proficiency by taking monthly training by completing quizzes.

Governor Kasich signed executive order 2015-04k on April 29, 2015. That executive order created the Ohio Collaborative Community Police Advisory Board (Collaborative). The Collaborative is a multidiscipline group consisting of a diverse group of Ohioans including, law enforcement, community members, elected officials, academia and the faith-based community. The Collaborative was created after the Governor's Task Force on Community Police Relations completed its work and produced a report with recommendations on how to improve the important relationship between law enforcement and the communities they serve.

At the end of 2015 , the department began the process of achieving the Ohio Collaborative Community Police Advisory Board accreditation.

# Accountability

**Use of Force/Deadly Force:** The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Patrolmen are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties. Patrolmen must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties. The Brunswick Hills Police Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting patrolman with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

All BHPD officers received 8 hours of training in use of force defensive tactics and use of force. Officers reviewed the Use of Force Policies, completed Monthly Daily Training Bulletins (DTB'S), and qualification's with their weapons and Taser.

**In 2025 the Brunswick Hills Police Department had 1 Use of Force incidents and 0 Deadly Force incidents.**

2- Other officer complaints was filed investigated and were unfounded with no disciplinary action taken.

0- Vehicle pursuit on interstate 71 that was terminated with no further incident.

1- Use of Force , Subject control during a hostile situation involving a male at the Peral rd. BP gas station.

0- Use of Force of an Electronic Control Device

# SENIOR WATCH PROGRAM / COMMUNITY SERVICES

“**Check-In**” program is when he/she will designate a day and time to call or check in with the Brunswick Hills Police Department. If the call is missed, a Police Representative will call back as soon as possible or, if phone contact is not made, visit the home to check on the resident. The benefit of this program is that the resident doesn’t have to be home to call in.

“**Elderly Call**” program is where the senior citizen is part of our “elderly call” list. On Tuesday and Friday (between 8:00 am – 11:00 am) the police department will call the “residents homes” to check on their welfare. Again, if no contact is made an officer will be sent to the home to check on their welfare.

“**Senior Watch**” program is for seniors who may need our help more than others. These seniors may not have family to check on them or provide assistance. The Police Department or a designated volunteer would visit the resident once a week (or more) to check on their welfare.
