

RESOLUTION 2-2026
2026 ELECTED OFFICIALS' POLICY MANUAL
BRUNSWICK HILLS TOWNSHIP
MISSION STATEMENT

Brunswick Hills Township strives to provide services and maintain the high quality of life in the most cost-effective manner. The following beliefs form the foundation for the future direction of Brunswick Hills Township:

- We believe that it is important to be sensitive to the needs of the community.
- We believe that we are responsible for the needs of our community.
- We believe that we should be creative and innovative in planning for the needs of the residents.
- We believe in sound fiscal accountability.
- We believe in the protection of life, health, and property.
- We believe that we should keep the public informed.
- We believe that an improved quality of life can be maintained by cooperative efforts with federal, state, and local entities.
- We believe that through a shared vision for the future, we can preserve the rural heritage while addressing the agricultural, industrial, and residential needs of our community.

PHILOSOPHY

1.1 Administrative Philosophy

The execution of Brunswick Hills Township policies shall be the responsibility of the administrative staff of each of the various departments in the Township. To this end, there shall be continuous effort by the Board of Trustees to improve and refine the policies and to develop clear and precise administrative procedures to carry out these policies, in accordance with its legal obligations.
