

## A Note From Chief Tim Sopkovich

Dear Township Residents,

February may have been a short and cold month, but the department remained incredibly active. Our latest statistics show a notable uptick in calls, keeping our officers busy as we navigate the winter season.

We are also proud to announce that **Officer Jeremy Milford Sr.** has officially completed his training. Jeremy was sworn in this past December and is now out on the road serving our community full-time. Please give him a warm welcome if you see him on patrol!

Finally, we are pleased to share that the department was awarded a **MORE Grant from OTARMA**, resulting in \$975 of additional funding for our operations.
